

## CONDITIONS OF USE OF ASHBURTON PRIMARY SCHOOL GYM FOR TRAINING

It is very important that everyone is aware of the conditions of use of the school gym for training. Can Team Managers please ensure the rules set out below are distributed to their team members. Non-adherence to these rules may result your team no longer being able to use the gym for training.

1. **Supervision** - U8, U10 and U12 teams must have at least **two adults** (i.e. coach and one other) present at training. U14 and older teams must have at least **one adult** present at training. Team managers are responsible for developing a roster for their team to support this and teams *may not* commence training until the required numbers of adults are present in the gym. Players and siblings must be supervised and are not allowed to run around the school grounds without a responsible adult. Siblings are not to be left in the gym unless parent/guardian is in attendance.
2. **No Food** - NO food in the gym. (This includes the carpeted area). All food must be consumed outside the doors of the gym.  
**Water only** - Only water is allowed in the gym. NO sports drinks or soft drinks.
3. **Lost Property** - Please make sure you check for any property that has been left behind at training. The adult in charge of training must take any items with them. They cannot be left in the gym.
4. **Shoes** - Only non-marking rubber soled shoes are allowed on the wooden floors of the gym complex – absolutely no high heels.
5. **Changing** - Toilets must be used when changing clothes. Toilets must be kept clean and no personal belongings left behind.
6. **Equipment** - NO use of the school's equipment, teams must use Ashy Basketball Club equipment from the Club basketball cage or player's own basketballs. **Please take care that the cage is not pushed against the wall as this causes damage to the wall, which has to be repaired at the club's cost.** All balls must be placed in the cage at the end of every session. This is the responsibility of the adult on duty. Any use of the electric air pump is only to be undertaken by the parent on duty.
7. **Court sharing** - Where there are two teams training at the same time, each team should use half a court (Teams can train together if agreed to by the coaches)
8. **Clean after use** - Each team is responsible for sweeping their half of the court at the end of training. Please make sure you take any rubbish with you.
9. **Respect others** - Players and parents are asked to respect others using the school (teachers, Camp Australia, other community groups) and the school's neighbours – please don't park over driveways and don't bounce basketballs outside the gym.
10. **Notifications** – If something is damaged or spilled on the floor (eg gel from an ice pack) please immediately notify the club at [ashybasketballclub@gmail.com](mailto:ashybasketballclub@gmail.com) and the school office (if open). This will ensure it can be cleaned appropriately and damage to the floor can be minimised reducing the needs for extremely costly resurfacing.

Any questions relating to these procedures may be addressed to the committee via the Club email: [ashybasketballclub@gmail.com](mailto:ashybasketballclub@gmail.com)
