

ASHY JUNIOR BASKETBALL CLUB

FEES POLICY

PLAYER REGISTRATION FEES

Each season the Committee will review and confirm the level of its player registration fees. The registration fee charged by the Ashy Junior Basketball Club is a set amount designed to cover the following expenses:

- team sheet / score sheet fees with Waverley Basketball Association (WBA) or any other association in which the club enters teams;
- injury Insurance at games and at training;
- team bond;
- club trophies;
- costs of Equipment;
- Ashburton Primary School facilities fees.

The player registration fees must be paid in full by a date set by the Registration Secretary for both the Summer and Winter Seasons each year. In normal circumstances this date will be well before the first round of the fixture.

VARIATIONS

In all normal circumstances the club will insist that each player registered will have paid the set fees before taking the court. The club's mission however is to encourage junior participation in the sport of basketball. The club therefore recognizes that participation should be encouraged in cases of financial difficulty.

In circumstances of financial difficulty, the Committee will give consideration to individual requests, made in writing, on a season to season basis, to either vary the due date and/or the amount payable. Any such variation or payment plan must be approved by the Committee before the player takes the court.

The finalized agreement will be documented and retained by the club treasurer but treated confidentially.

PRO-RATA PAYMENTS & REFUNDS

Player registration fee refunds are not normally considered and refunds are not available for change of mind. If you are affected by unforeseen circumstances, such as an injury, the Committee may approve a pro-rata fee refund at its discretion.

Please submit any applications for a registration fee refund to the Committee in writing.
